## Director Message

International Education Expert, an education consultancy as the name suggest was established to be a helping hands for the students who aspire to pursue MBBS from Abroad.

**Dr. KAPIL MAJUMDAR**

I take this opportunity to thank you for considering us to be part of your educational endeavors. We want to make the overall journey of the students from home country to overseas a delightful and hassle-free experience. We strongly believe that the success of an organization is not just based on the profits measured in numbers, but also the quality, service standards and customer satisfaction. For us creating a sustainable business by exceeding the expectations of the students and the partner institutions is more important than anything else.

# FAQ?

## Why to study MBBS from abroad ?

MBBS from abroad is perk in itself as it provides several benefits as compare to India.

1. Pocket friendly tuition fees.
2. Career growth as one has the option to practise medicine in the same country without any further examination.
3. Students have option to explore different languages.
4. Safe and clean environment.

## Which are the top countries from MBBS ?

Among many countries, Kyrgyzstan remains priority option among Indian aspirants. As the country is only about 2000 km away from India it feels like home along with it provides quality education at affordable price. However, Ukraine, Russia, Poland, Romania etc. remains good option when comes to level of education.

## Is NEET compulsory for MBBS abroad ?

As per the NMC guideline, qualifying NEET examination is the minimum requirement to study MBBS abroad as well as in INDIA.
